

Choose Your Way Enfield Self- Guided Tour

“Choose Your Way” is a self-guided tour of the historical sites and houses of Enfield, CT. This tour allows you to visit each location on your own time, and you are able to choose when and where you want to visit. Overall, you are choosing your “way” or “path” on this tour.

I created this tour for my Gold Award project for Girl Scouts. A gold award is the highest award a Girl Scout can achieve. I’m using my Gold Award to share knowledge of Enfield’s history with its residence and visitors.

Turn your completed pamphlet in to the Enfield Historical Society to receive a memento of your journey.

Feedback-

What did you like best about the tour?

What would you do to change it?
